

Sarva Iyengar Yoga Institute Fees 2010

Drop In Fees (for regular classes)

2 hour classes	£12
1 ½ hour classes	£10
1 ¼ hour classes	£8

New Students are permitted to attend 2 drop in classes before committing to **Sarva IYI Membership** – see below.

Course Fees

Students can save £2 per class by paying in advance for a course rather than paying a 'drop in' fee. This will secure a student's place on the course. Please see current price lists for course fees.

ALL STUDENTS paying a course fee MUST BE MEMBERS OF SARVA IYI.

Students who have paid for a course, but find that they cannot make a class for which they have enrolled, may attend any other regular class on the timetable to make up the missed class provided that it is within the same term. Missed classes cannot be carried forward to the next term.

New students joining part way through a term are permitted to pay for the remaining weeks of the term only. Existing students must pay the full course fee (and make up – during that term - any missed classes) or pay the drop in fees for the remainder of the term.

Membership of Sarva IYI:

New students are permitted to attend 2 drop in sessions before being required to pay Sarva Membership. Upon attending a 3rd drop in class, Membership will be payable immediately. Those paying for a course will be required to pay membership immediately.

Membership is renewed annually and runs from 1st September to 31st August.

Sarva IYI Membership entitles you to:

- Use of all Sarva Equipment during classes
- Discount vouchers towards the purchase of yoga equipment and clothing (not for Friends of Sarva Members)
- Entry to members only events
- Discount on special events and yoga days

We offer **Full Membership** for individuals joining Sarva, **Family Membership** which is a discounted membership applicable where 2 or more students live at the same address and **Friends of Sarva Membership** for students wishing to attend weekend events only rather than regular weekly classes.
